Seamless Luxembourg-Germany Collaboration

Supporting clients across borders

Luxembourg and Germany together form one of Europe's most powerful private equity axes, where fund structuring meets deal execution. By bridging these two markets, our firm delivers integrated, cross-border support that helps clients structure, execute, and optimise their private equity transactions.

Our Luxembourg team works hand in hand with colleagues in Germany to provide seamless cross-border private equity support.

This collaboration combines :

- local market expertise
- accelerated transactions
- risk reduction, and
- pragmatic solutions tailored to each client's needs

Why Luther?

Luther stands out ...

because of its unwavering commitment to delivering pragmatic and innovative solutions across the entire investment cycle – from fund structuring and financing to acquisitions, governance and exits.

Luther lawyers are not only ...

legal experts, but they also bring a hands-on, partner-led approach. Smaller, focused deal teams ensure senior lawyers are actively involved at every stage, making the firm highly accessible and responsive to client needs.

Luther prioritises ...

understanding clients' industries and investment strategies. This ensures legal advice is actionable and tailored to the specific challenges and opportunities of each sector.

Luther commitment ...

to leveraging technology and modern legal tools streamlines transactions, improves efficiency, and reduces costs, reflecting the firm's modern, forward-thinking approach.

Luther fosters ...

a collaborative and inclusive culture, both internally and with clients, enabling teams to work seamlessly and efficiently together on every matter.

Ultimately, Luther is not just ...

a legal service provider. We differentiate ourselves through direct partner involvement, smaller deal teams, and proactive engagement, enabling clients to navigate complex Private Equity matters confidently and efficiently.
