How to reach our office in Berlin

By car:

Our office is situated in a dark red brick building in the middle of *Heidestraße* (B 96) opposite the public square *Otto-Weidt Platz*. If you are travelling from the north, you can see the pointed building (*QH CORE*) on the right hand side of the street directly at the public square "*Dreiecks Platz*". If you are travelling from the main train station (*Hauptbahnhof*) in the south, or through the *Tiergarten* tunnel from the *Wedding* exit (B 96), please turn left from *Minna-Cauer-Straße* onto *Heidestraße*. Our office is situated after approx. 300 metres on the left hand side, opposite a large public square. If you drive through the *Tiergarten* tunnel, please keep going in the direction of *Wedding* until you reach the end of the tunnel and then continue on the B 96.

To enter our underground car park, if you are travelling from the north, turn right after the brick building, and if you are travelling from the south, turn left before the brick building onto the *Lisa-Fittko-Straße*. At the end of the brick building, please turn right and then right again into the underground car park. Luther's parking spaces are located on the second underground floor (UG).

By train:

Our office is a 10-minute walk, or about 600 metres, from the main train station (*Hauptbahnhof*): take the north exit, which takes you to *Invalidenstraße* and then turn into *Heidestraße*.

You can also reach our office by taking the no. 147 bus and alighting at the stop "*Heidestraße*".

By taxi:

Our office is approximately five minutes by taxi from the main train station (*Hauptbahnhof*) and approximately 45 minutes from the BER airport. If you are travelling from the airport, we would recommend taking the *Regionalexpress* train or the suburban railway (*S-Bahn*) to the main train station (*Hauptbahnhof*) and then walking to our office or taking the no. 147 bus.
